TEACHER'S LICENSES.

- A.—Teachers who have no license may obtain a license (good anywhere in Mississippi) by:
1. Completing the Certificate Course in the Normal College. This requires only a few months for those with high-school training. A five-year license.
 2. Completing the special six-weeks' primary course in the Normal College. This license permits the holder to teach the primary grades through the Fourth.
- B—A teacher who holds a county or state license which has already expired (within preceding year), or which will expire during the next twelve months, may renew same for one year by taking a prescribed renewal course for six weeks. This renewal course may be taken in **any term during the session.**
- A first grade license may be renewed as a primary license without taking algebra.
